

**Basic Equipment and Supply List**  
**Nurse Aide I Training Program**  
**Revised February 2015**

This is a minimum basic equipment/supply list, but your program may choose to have additional items for skills specific to your program. Please list additional supplies specific to your lab and resident area (such as dry shampoo): \_\_\_\_\_

\*As needed is defined as having sufficient quantity of supplies appropriate to number of students that will permit class objectives to be met by instructor demonstration, student practice, and proficiency demonstration by students.
