STEPS FOR A CHANGE OF OWNERSHIP
FOR FAMILY CARE HOMES (2-6 Beds)

Please read and follow these steps to complete a change of ownership successfully

1. The current licensee contacts the county adult home specialist in the local county department of social services (DSS) where the facility is located and informs the adult home specialist of the proposed change of licensee/business ownership. This contact should be made at least 60 days in advance of the proposed change.
   - The Construction Section of the Division of Health Service Regulation (DHSR) must approve any proposed structural changes of building.
   - Unpaid fines for penalties imposed will result in denial of licensure. License applications will not be processed if there are outstanding/unpaid fines for penalties.

2. The adult home specialist communicates with the applicant to provide him/her an orientation to adult care and to begin processing a change license application.

3. The current licensee informs the residents or their responsible persons in writing of the proposed change of business ownership and the anticipated date of the change at least 30 days in advance of the change.    - 3 letters of reference

   - Resume or letter of experience for Administrator In Training (AIT) exemption
   - Rule exam certificate

5. Once the adult home specialist has obtained all needed documentation to complete the application and has assessed the applicant’s readiness to be licensed, the adult home specialist will submit the following information to the Adult Care Licensure Section at least 30 days in advance of the anticipated change of ownership:
   - FCH Change Licensure Application
   - Non-refundable License Fee of $315.00 in the form of check, money order or certified check and made payable to the “NC Division of Health Service Regulation.”
   - Packet of administrator documents outlined in #4 above.

   - Approved fire and building safety inspection reports (dated within the previous 12 months)
   - Approved sanitation inspection report (dated within the previous 12 months)
   - New Providers will be required to submit Policy and Procedures for Review. Existing Providers must submit policy and procedures upon request.
6. Upon receipt of the licensing packet, including the license fee, and completion of a compliance review, the Adult Care Licensure Section will notify the prospective licensee of any outstanding documents or actions required for licensure.

7. If all requirements are met, the Adult Care Licensure Section will issue a new license to the applicant within 2 days of the effective date of the change of ownership.
