C 284

Continued From page 2

- The Administrator paid a dietician to make sure she had diet menus to use for all of the diets.
- For specific diets, she used "diet book" the dietician had given her.
- For a cardiac diet she would use a "low sodium/low cholesterol diet".
- The Administrator does not "add" salt to any meals prepared for residents.
- For a cardiac diet she "just know not to use fat and stay away from the salt".
- It is her responsibility to clarify orders.
- She is awaiting the doctor office to call her back to clarify Resident #2's diet.

By the end of the survey on 11/12/14 at 5:45 p.m. the primary care physician had not return call to the facility to clarify Resident #2's diet order.

2. Resident #3's current FL-2 dated 1/31/14 revealed:  
-The resident's diagnoses included high blood pressure, seizure disorder and "hypolipidemia."  
-The resident had a diet order for No Added Salt (NAS)/Low Fat Low Cholesterol (LFLC) diet.

Review of Resident #3's physician's orders dated 1/31/14 revealed the resident had a diagnosis of hyperlipidemia.

Interview with the Administrator on 11/12/14 at 10:15 a.m. revealed Resident #3 was to receive a NAS diet.

Interview with Resident #3 on 11/12/14 at 11:00 a.m. revealed the resident was not on a special diet.

Review of the Week 2 lunch menu being served on 11/12/14 for the NAS diet included 2 ounces

C 284

*Addendum:*  
Telephone interview with the Administrator on 11/27/14 at 3:57pm revealed: the Administrator will make sure orders are clarified by the residents & it resolved immediately. The Administrator will make sure to follow a matching menu when preparing the residents' meals, according to the diet order. The date of correction is 11/15/14. JCG
