Need Determination

Application of the standard methodology for the North Carolina 2017 State Medical Facilities Plan determined there was a need for nine hospice inpatient hospice inpatient beds in Cumberland County and seven hospice inpatient beds in Wake County. However, the State Health Coordinating Council approved a petition to remove the need in Wake County as shown in Table 13H. There is no need anywhere in the state and no other reviews are scheduled.

Table 13H: Hospice Inpatient Bed Need Determinations
(Scheduled for Certificate of Need Review Commencing in 2017)

It is determined that the counties listed in the table below need additional hospice inpatient beds as specified.
