Re: MPI # \_\_\_\_\_

Effective October 1, 2007, Federal and State regulations require that a fee of \$25.00 be assessed every year for *each* child support case that meets the following criteria:

- At least \$500.00 is paid to the family during the Federal fiscal year (October 1-September 30); **and**,
- You have never received AFDC (Aid to Families with Dependent Children), WFFA (Work First Family Assistance), or Federal foster care on behalf of the child(ren) in the case.

**THIS NOTICE IS NOT A BILL.  
DO NOT SEND IN A PAYMENT FOR THIS FEE.**

The fee will be deducted from the next child support payment(s) *after* the \$500 has been disbursed to you.

This correspondence serves as notice of assessment of the annual \$25.00 fee for each case you have that meets the above criteria. North Carolina regulations mandating this change are found at N.C.G.S. 110-130.1.

If you have any questions regarding this fee, please contact the NC Child Support Customer Service Center at 1-800-992-9457.
