

REQUESTING A MEDICAID ID CARD

EIS 3151 - REQUESTING A MEDICAID ID CARD  
REVISED 10/01/09 - CHANGE NO. 01-10

I. GENERAL INFORMATION

The DMA-5022 function was used in the past to issue a Medicaid ID card. Effective September 8, 2009, this function is obsolete. See EIS 3105 for how to request a Medicaid ID card. (You cannot authorize eligibility using the DMA-5022 function. Complete an application or use the DB/PML function, as appropriate).
