EIS 3557 - MIC RE-ENROLL REPORTS 1 AND 2
REVISED 09/01/06 - CHANGE NO. 02-07

I. RE-ENROLLMENT MIC REPORT SUMMARY 1

A. GENERAL INFORMATION

The Eligibility Information System produces a report that indicates the number and percentage of MIC re-enrollments completed, automatic terminations, other terminations, and those transferred to other Medicaid coverage. After the initial report, the following summaries are displayed:

1. MEDICAID/NCHC AUTHORIZED/CERTIFIED - REPORT 1: This uses the "MED AUTH COUNT" and displays the aid program/category, class, SSI status, and number of cases authorized for Medicaid or NC Health Choice.
2. TERMINATED REPORT - REPORT 1: This uses the total of "TERMED CODE 80 COUNT" and "TERMED OTHER COUNT" then displays the termination code, message, and number terminated with that code.

EIS produces the report monthly and it is available in XPTR on the first workday of the month. The XPTR report name is: "DHREJ RE-ENROLL MIC RPT SUM - 1". Each report is kept in XPTR for 1098 days.

The last line/page of each report is a statewide summary.

II. RE-ENROLLMENT REPORT SUMMARY 2

A. GENERAL INFORMATION

The Eligibility Information System produces a report that indicates the count and percentage of MIC re-enrollments completed, automatic terminations, other terminations, transferred to other Medicaid, and pending applications.

This report differs from the Report Summary 1 in that it recalculates the above totals one month after the certification period ends. Thus, making allowances for reopened cases and cases with pending applications. After the initial report, the following summaries are displayed:

1. MEDICAID/NCHC AUTHORIZED/CERTIFIED - REPORT 2: This uses the "OTHER MED/NCHC AUTH COUNT" and displays the aid program/category, class, SSI status, and number of cases authorized for Medicaid.
2. TERMINATED REPORT - REPORT 2: This uses the total of "TERMED CODE 80 COUNT" and "TERMED OTHER COUNT" then displays the termination code, message, and number terminated with that code.
3. INDIVIDUALS TERMINATED WITH CODE 80 - REPORT 2: This is a detail listing of cases terminated with code 80.

EIS produces the report monthly and is available in XPTR on the first workday of the month. The XPTR report name is: "DHREJ RE-ENROLL MIC RPT SUM - 2". Each report is kept in XPTR for 1098 days.

The last line/page of each report is a statewide summary.
