**EP – 930 WEATHERIZATION (WX) AND HEATING APPLIANCE REPAIR AND REPLACEMENT  
PROGRAM (HARRP)**

**Change #5-2002  
September 1, 2002**

The Weatherization Assistance Program (WAP) and Heating Appliance Repair and Replacement Program (HARRP) provides funds to local community action agencies for the purchase and installation of materials such as ceiling, wall and floor insulation, caulking, and weather-stripping on the homes of low-income families, particularly the elderly and handicapped, in order to make the homes more energy efficient, reduce monthly utility bills, and provide a more healthful living environment. This program is open to owners and renters living in both site built homes and manufactured housing.
