and Human Services

Medicaid Reform Process, Principles and Stakeholders

MARDY PEAL

Senior Advisor to the Secretary

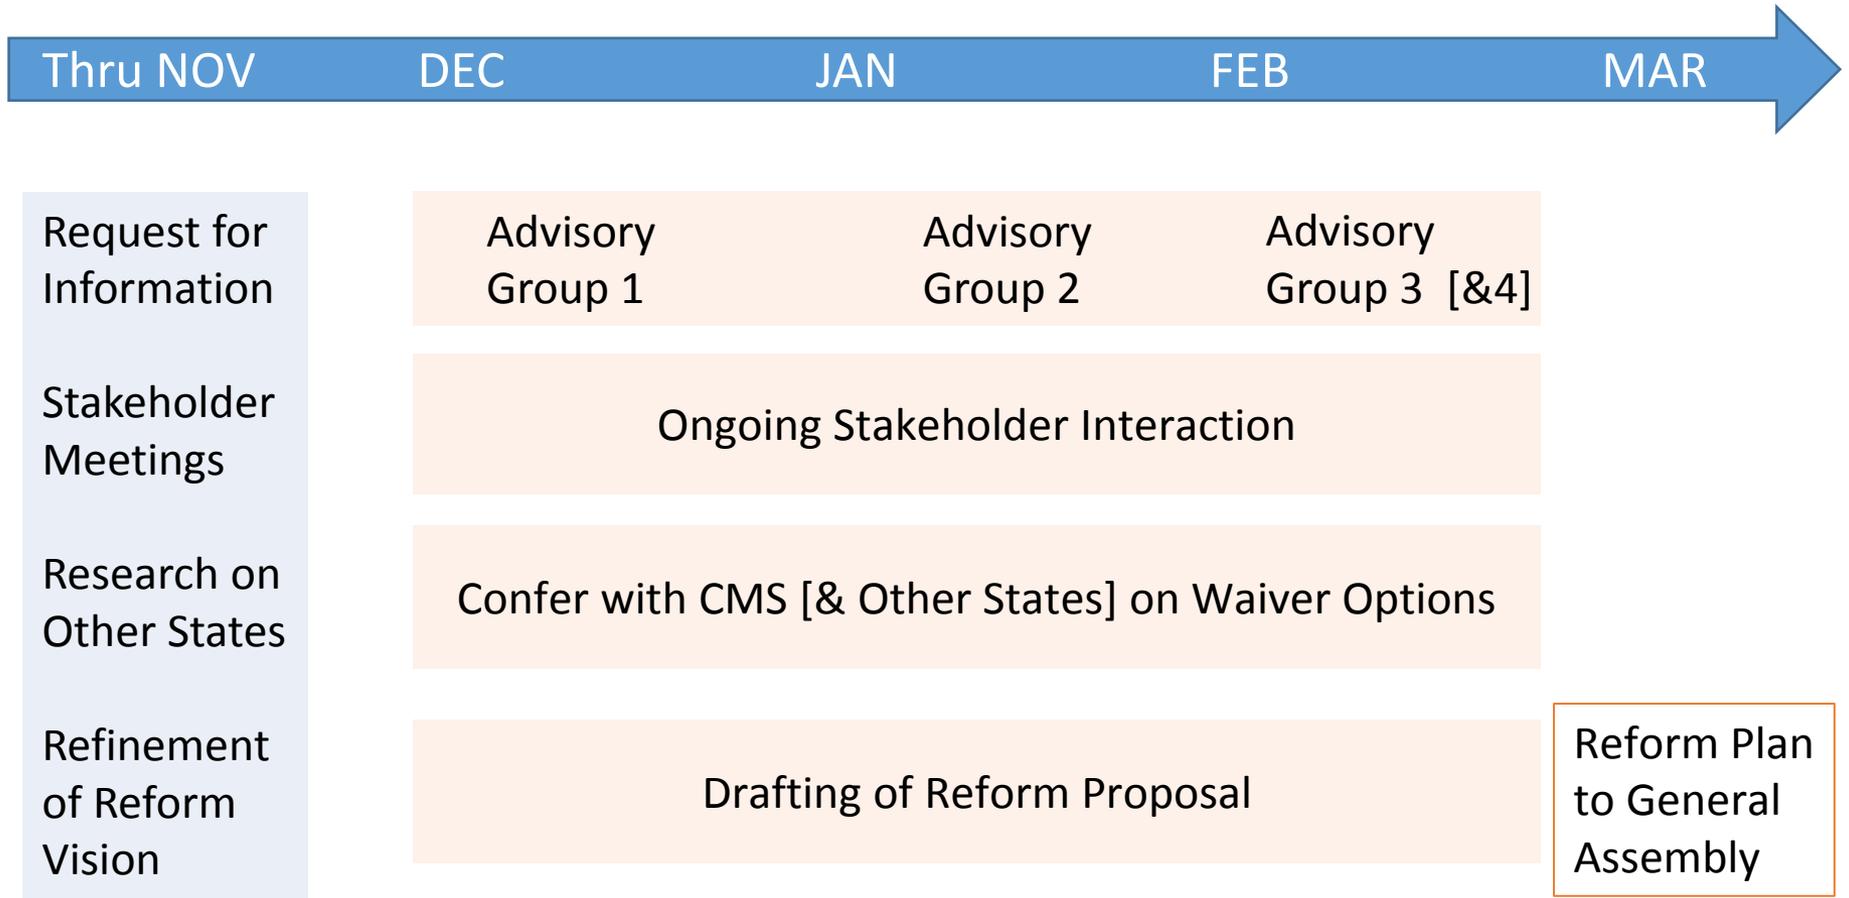

Medicaid Reform Objectives

- Predictable and sustainable
- Whole person care
- Ease and efficiency for providers

Medicaid Reform Planning Timeline

Collaboration & Innovation

It started with health care...

...and continues with Medicaid Reform

Medicaid Reform Principles

- Value based
- Patient-focused
- Gradual implementation
- Collaboration
- Limited disruption
- Localized accountability

N.C. Department of Health and Human Services

We are all committed to creating a value-based Medicaid system that focuses on healthy outcomes for North Carolinians.
